

TO ALL THE PEOPLE WITH A GREAT HEART

Support for heroically fighting Ukraine!

SOS Poland!

We are announcing a fundraiser for the medical professional of Ukraine (on the frontline).

Eurologistics, a publishing house together with the following partners: Omega Pilzno, LS Logistics, via the De Arte Athletica Foundation, is asking for a collection of medical products for the Ministry of Health of Ukraine.

- Eurologistics will provide 10 pallets of disinfectants.
- The Omega Pilzno company will undertake the difficult task to ensure that our transport reaches Lviv and returns safely.
- The LS Logistics will make its warehouses available to organize collection points and will take care of additional collection of medical products to fill the entire cargo space.

Collection point: LS Logistics Sp. z o.o.

Warehouse: Tulipan Park, al. Katowicka 66, 05-830 Nadarzyn

The required products can be delivered in person or shipped in packages or on pallets.

[Please attach a list with the contents of each package on top of the packages - the name and quantity of the product. This will allow for efficient selection, sorting and delivery to those in need.](#)

We monitor the supply shortages in Ukraine and based on our data, we ask for very specific products:

- individual first aid kits,
- large quantities of bandages, all types,
- tactic tourniquet (rotating),
- hemostatic bandages - Celox in the form of gauze,
- individual bandages - type W,
- band aids for burns and for healing wounds,
- gel compresses for burns,
- surgical gloves,
- medical backpacks,
- antiviral and anti-influenza drugs, painkillers (with a sufficiently long shelf life),
- drugs to support digestion,
- pressure measuring devices,
- absorbent surgical cotton wool.

You can also show support through financial help. We will buy all types of medical dressings for the collected funds. Donations can be transferred to the De Arte Athletica Foundation's account with the note *"Protect Ukraine"*.
